## LANDSCAPE ARCHITECT

(+94) 719876911

th.nimeshathisarani@gmail.com

### PROFILE

I am completed degree of Landscape Architecture at the University of Moratuwa, expecting to graduate in December, 2025. I have a foundation in landscape design principles and practical experience in the field. I am a hard-working, creative and naturedriven designer with a passion for integrating built and natural environments through sustainable and innovative solutions.

Girls High School, Kandy
- **G. C. E. Ordinary Level Examination**    2016  
Viharamahadevi Girl's College, Kandy

### PROJECTS

- **Major Design Project (MDP) - Healing Landscape**  
**Transforming live through positive spaces**    Apr 2023 - Sep 2023  
Location: Katunayake Aweriwatta Industrial Zone  
Designed a healing environment for the Katunayake Aweriwatta Industrial Zone to enhance employee well-being through green spaces, relaxation zones, and sustainable landscape design.
- **Comprehensive Design Project (CDP) - Lively Transit**  
**Landscape Shaping liveliness**    Jan 2025 - Jun 2025  
Location: Makumbura Multimodal Transport Hub  
Reimagined the Makumbura Multimodal Transport Hub as a vibrant transit space integrating green infrastructure, walkability, and community engagement to foster connection and liveliness.
